

Walt Whitman

In his timeless and tremendously timely 1860s essay *Democratic Vistas*, found in the Library of America volume *Walt Whitman: Poetry and Prose* (public library), **Walt Whitman** writes:

Music, the combiner, nothing more spiritual, nothing more sensuous, a god, yet completely human, advances, prevails, holds highest place; supplying in certain wants and quarters what nothing else could supply.

I'm reading these for the first time like you... and really enjoying them... hope you are too!

“Bluegrass & Beyond” w/ Jeffree White & Jan Reimers

duo w/ guitar, mandolin & vocals

Tuesdays noon-2pm

at the Huerto Cafe: *Hidalgo 212 in Riberas del Pilar*

Expert mandolinist Jan Reimers and multi-instrumentalist Jeffree White share a love of bluegrass, but also much more music than that! They present a variety of instrumental & vocal music, inspired by David Grisman's "Dawg music", vintage swing, fiddle tunes, exotic waltzes, Latin rhythms, some classic rock, and traditional bluegrass with vocal harmonies -- and plenty of lively, hot pickin'!

You can find several videos in a playlist on YouTube (search band name or our names).

WANDA WHITE'S ANNUAL CABARET

with Tim Welch at the Piano and Diego Rojas on the Violin

One audience member called Wanda White "the quintessential girl singer." Another says, "Audiences are charmed by her sparkling personality and seduced by her singing."

What sets Wanda's shows apart from the crowd are her song choices, rich, nostalgic, and fun standards, and her personal stories. With a touch of her disarmingly authentic southern drawl, she makes the songs tell the stories of her life, magically transposing her stories and well-known songs into something personal for us. Her easy charm and the musical talents of Timothy G. Ruff Welch (Piano) and Diego Rojas (Violin) make for a lovely, relaxing evening with nostalgia and humor.

Tickets are 400 pesos

Set in the context of the Spanish Inquisition, *Man of La Mancha* is presented as a play-within-a-play. We encounter historical author Miguel de Cervantes in prison, awaiting trial by the Inquisition. When his fellow prisoners try to take Cervantes' belongings from him, including his manuscript, Cervantes proposes a trial in which he proves the merit of the manuscript through a reenactment, enlisting his fellow prisoners as characters in his play. Together, they tell the story of the aged Alonso Quijana who believes himself to be a knight errant, names himself Don Quixote, and pursues an obsessive quest to attain an impossible dream. Against all odds, Quixote and his trusty squire Sancho Panza take to the road in a quest to chivalry, and seek out the good and innocent in a world filled with darkness and despair. Through the story, all the prisoners – at least for a moment – are transformed.

Man of La Mancha features such stirring songs as "I, Don Quixote", "Dulcinea" and the now-famous standard, "Quest" – more famously known as "The Impossible Dream."

The original 1965 Broadway production ran for 2,328 performances and won five Tony Awards, including Best Musical. The musical has been revived four times on Broadway, becoming one of the most enduring works of musical theatre
